

Hi everybody..

Once again we have had a couple of good events happening one being the anniversary ride and also the

Beast Feast.

The anniversary ride turned out to be a nice day, we had quite a few people turn out for the ride and even

though the first part of the ride was extremely foggy the sun came out and stayed out for the second part of the

ride we ended up at the Meadows Hotel where we also had the presence of the Lower Murray Branch as well as

the Long Riders .Thanks to Crazee who led the ride.

Our next ride will be the brass monkey ride on the 21<sup>st</sup> August to the Whispering Wall which again is being

led by Crazee...Numbers are essential as it will be a club catered event. We will be leaving the Alma Hotel

at 9.30 so make sure you are there so you don't miss out.

We had a great rides sub committee meeting and have come up with a few overnighers and have worked

the calendar around the National AGM and Odyssey there is a copy of the calendar with this issue of the

Whaler.

Our first overnigher will be the 25/26 of February at Blanchetown we will be leaving the BP M/vale on

the 25<sup>th</sup> at 9.30 and should be arriving at the Big4 Riverside Holiday Park at approx 12.30-1.00pm...We will be

going up to the hotel for dinner that night and then head back on the Sunday.

To make a booking for the caravan park ring 08 85405070 and tell them you are with the Fleurieu Ulysses,

Hope to see you there

Well what a night it was once again we had our annual beast feast ...good food...good friendship... and

good music ...

A special thanks to all the people who helped with the preparation and setting up of the hall not forgetting

the cleaning up as well.

We would especially like to thank Cyril (Skippy), Andrew and Marianne who spent all day helping prepare

the food and cooking , not forgetting our illustrious Hobbit who also managed to get off his mountain even

though retired and pitch in as well.

Thanks to Boyd who especially came down Friday, Saturday and Sunday to help but didn't stay as Boyd

had to babysit Annie who was home with bronchitis ..to date she is still alive and Kicking.

Congratulations to Boyd who has done a marvellous job in organising the South Australian group of riders

who are going on the Black Dog Run There are a few from our club going so make sure you put your hand

in your pocket and donate towards the foundation it is well worth it .

Till next we meet
