COMMITTEE CORNER

Hi All.

As you may or may not be aware there has been some re structuring within the committee. I feel we will become a stronger and more positive committee by these changes, and in time the membership will benefit. December meeting has been modified to incorporate a Christmas social gathering of all members. In doing this all club business has been suspended to the January meeting. I hope you all enjoy each other's company and if you do see an unfamiliar face introduce yourself. And welcome them to our branch. I wish you all a Merry Christmas and a Happy New Year and above all have a safe one and we will see you in the New Year. Regards Symo

If the store don't have the item you want in stock, then Jono will order it. The item must be pre-paid on the night. This will help keep the stock levels under control and members will save on postage and handling. We have another huge special this month in the Store, just in time for Xmas, all Ulysses t-shirts (not Fleurieu Branch t-shirts) \$15each. This is well under cost price.

We have a major function coming up in February 2012. There is a flyer attached to the Whaler e-mail and fliers will be available at the meeting.

Cheers all and may your lid never skid.

RIDES REPORT Wrap Up

Well everybody it's that time of year again, and what a year it has been. We have had a few rides, a bit bumpy at first but we soon got it happening as well as AGMs and Odysseys and yes we will be doing it again. The difference is we will be doing a lot of new rides being overnights as well as a meet and greets on the long weekend in June, where we will be meeting up with other branches at Renmark for fun and socialising. Check out the flyers as they come out for more info.....

We also have other rides happening as well, you can find out all the info on the web. fub.org.au under rides calendar.

In wrapping up for this year I would like to say a big thanks to everyone who has helped out on rides in various ways..Leaders, Tail end Charlies, Corner Marshals as well as everyone who opened their premises and supplied those on the ride with vitals and refreshments A big THANK YOU to all you all know who you are.

I look forward to starting our calendar next year and hope to see a lot of you on the rides ...remember There are a lot of stupid people out there this time of year who forget that bikes have as much right on the road out there as they do so in remembering that Have a Merry Xmas and a happy New Year to all.

FREEDOM, RIDE SAFE
GODOWN.

Apparently, YOU told Santa that you have been GOOD this year ...

He died laughing

And The L Award goes to Jimmy for using Listerine to wash his hair!!!!

Why do you have to 'put your two cents in'... but it's only a 'penny for your thoughts'? Where's that extra penny going to?

What disease did cured ham actually have?

Why is 'bra' singular and 'panties' plural?
